- Phone: 800-433-6060
- Mail: The McCracken Basketball Camp
502 Timberlake Trail, Fort Wayne, IN 46804

We accept registrations right up to the start date of camp where openings exist.

Registration Fee: \$30 or \$40, depending on location. This is a one-time, annual fee that is owed only for your first camp sign-up of the year.

Campers who register BEFORE the Balance Due Date have the option to pay in full or make an initial deposit of \$150 to secure their spot. If you choose to pay the deposit, the remaining balance is due on or before the due date stated below.

Campers who register AFTER the Balance Due Date are required to pay in full at the time of registration.

Final Balance Due Dates are as Follows:

- For camps with June start dates, balance is due by May 1st.
- For camps with July start dates, balance is due by June 1st.
- For camps with August start dates, balance is due by July 1st.

After You Register: You will receive from us a confirmation by email once your application has been received and processed. An information packet containing more information about your camp and health & release forms will be emailed to you in the spring.

Cancellations:

If you need to cancel for any reason up until 24 hours prior to camp check-in, you will receive a camp credit voucher for tuition fees paid good through the following year that is transferable to any immediate family member and may be used for any sport. Participants who DO NOT attend their registered session (no-shows for any reason) or who do not contact USSC to cancel at least 24 hours prior to camp check-in will not receive a voucher or refund. Cash refunds are given only if Cancellation Protection was purchased at the time of registration and the cancellation is made before your balance due date (see terms below).

If USSC cancels your child's camp due to COVID-related facility closures, government mandates or other circumstances, you will be entitled to a full refund for tuition fees paid. If you purchased Cancellation Protection, you are entitled to a refund of your Cancellation Protection fees as well.

These policies are in place to account for camp fees associated with each registration that are made in advance of the program. Camper waives any and all damages that may otherwise arise out of any camp cancellation and agrees to accept as liquidated damages said registration fees.

Cancellation Protection:

US Sports Camps offers our camp families Cancellation Protection for \$100 per session, due at the time of registration. Cancellation Protection entitles you to a full refund of your camp tuition fees paid to date if you cancel for any reason before your final payment date (the first day of the month prior to the month of your camp start date. i.e. final pay date is May 1st if your camp date begins in the month of June). Please note: \$100 Cancellation Protection and Registration Fee are non-refundable.

With Cancellation Protection, if you cancel after your final payment due date and at least 24 hours prior to camp check-in, you will receive a camp credit voucher good through the following year that is transferable to any immediate family member and may be used for any sport.
